NEWS from LPHWM

We have had a busy few months and organised the following CPD workshops

- In January we organised the Living and Ageing Well Workshop. The day presented the results of the regional wide Healthy Ageing and Frailty project.
- In February we organised the 0-19 integrated partnership workshop. It focussed on the partnership between Public Health and Children's services.
- In March we delivered the Getting into work - Improving employment outcomes for drug and alcohol clients across the West Midlands.

Here is a roundup of people's experiences

'Great Networking and listening to different experiences from across the region'

'Well organised and well-paced event'

'Great presentations'

'Good Interaction during the table discussions'

Please make a note of the following events coming up ...

27 April 2016 - Public Health and reducing the impacts of violence on health & wellbeing

This workshop will aim to understand the health impacts of violence and understand how taking a public health perspective approach is key across all partners in preventing violence.

Registration is now open for this event. To book your places please use the following link:

Other Future Events:

We are currently in the process of developing our delivery plan for 2016/17. Further workshops are in the planning stages so as we have more details, we will send them to everyone.

If you would like us to promote an event for you either to our stakeholders or on our website then please contact us directly.

ADPH West Midlands

Our network coordinator Helen O'Donnell is currently supporting the Association of Directors of Public Health network. The network aims to provide a voice for local government Public Health in the West Midlands through influence of public health legislation and policy at a local and regional level and will facilitate the sharing of ideas, best practice and problem solving in Public Health across the WM local government.

Networks

LfPHWM supports three regional networks. The aim is to support the wider Public Health workforce to enable interprofessional learning, sharing of local practice and promoting innovation.

West Midlands Alcohol Licencing Licensing Network

This network is chaired by Dr Adrian Phillips. The steering group is now well established and meets quarterly. The next meeting will take place on the **6th July 2016**.

West Midlands Strategic Food Board Network

The network is chaired by Stephen Munday and is responsible for the strategic development and co-ordination of activities that support a healthy, sustainable food system across the region. The next quarterly network meeting is on the **13th April 2016** at Birmingham City Council

West Midlands Health and Planning Group Network

The network is chaired by Deborah Harkins and is responsible for aligning public health and planning at a local level "To create and develop healthy and sustainable places and communities" in the West Midlands.

The next quarterly network meeting will take place on the **22nd April 2016** at St Phillips Place, Birmingham
